## LION QUEST PROGRAM

Pictured above is a "Move to Grow" presentation to Marshall Middle School Barbara Gary for her inspiration to reviving the LionQuest program in the school. Presenting the award is District Governor Terry Walters. Also pictured (left to right) is seventh grade teacher Bill Dryer; Athletic Director's Secretary Sue Petty; seventh grade teacher Hope Bailey; Guidance Director's Secretary Wendy Myers; retired teacher Doug Burger, Marshall Lion Mike Dauphinais and Lion Zone Chairman Chris Craft.

The funding for the program at the middle school was a collaborative effort between the Marshall Lions Club (training materials), Lions District 11B1 (workbooks), Lions Club International (the trainer) and Marshall Middle School (shipping costs).

## IMPORTANT ANNOUNCEMENT

The membership approved Country Kitchens as the new club meeting place at the June 22 meeting. PDG Ron Quada announced that they have a private room and members can order off the menu.
